The Orlando Arabian Horse Club, Inc. was formed in the mid-1970's by a group of Arabian Horse Owners to reach out to other breeders, owners and lovers of the Arabian horse breed. The goal was to foster awareness of the unique attributes of the Arabian horse, to share the history of the breed, to create local show environments to display these animals to the public and to qualify for Regional and National Competitions. These hardy individuals hosted open barns, demonstrations and pedigree discussions among themselves to help each other to learn more on the Arabian horses in their lives and to introduce horse lovers to these magnificent animals. During the course of time they developed a series of Open All Breed Shows for their members and others where they could all celebrate their horses in friendly competitions. Each of the shows has a High Point Award System where members can earn points to be named the Division winner.

- In 2010 the current board has developed a new and exciting AHA Community Show for our June 26 & October 16 shows. For many years Arabian Horse Owners have asked for an affordable Arabian Horse show venue where the novice rider and horse can test their skill and where local Amateurs can compete with other Arabian Enthusiasts at an affordable level outside of the Class A and Regional Competitions. This show will offer competitors online show results published on the AHA Website, ACS High-Point Award and individual Milestone Awards will also be updated and available on the AHA website. While AHA certified this remains Open to All Breeds show.
- We are excited to announce our Dressage Clinic to be held on June 5<sup>th</sup>. Bill Woods, USEF "R", will provide nine participates with individual instructions. These nine participates will receive discounts on the June 6<sup>th</sup> dressage schooling show.
- We will again continue with our Annual Dressage Schooling show, June 6, judge Bill Woods.
- Also the 2 Open Fun Shows, June 27 and October 17, will continue the fun for one and all with a wide variety of classes and events for all competitors and their horses

The Orlando Arabian Horse Club consists of members from across the Central Florida region, including Orange, Seminole, Osceola, Lake, Polk, Volusia, and Broward & Sumter Counties. The membership consists of a wide variety of people – horse owners, breeders, trainers, youth, children and Equine enthusiasts that do not have horses but love to be involved in celebrating the Arabian horse. Members volunteer their time and resources to make OAHC events go smoothly but we cannot succeed without assistance from the community.

Please assist us to succeed by reviewing the attached Sponsor information for Show Sponsorship, Class Sponsorship or even the donation of an item that may be used as a High Point Award at one of our shows. The OAHC is a 501C organization so your donations are deductible, and you will receive written acknowledgment of your generosity upon receipt. Feel free to contact your own OAHC representative noted below with any questions you may have. Thank you for your consideration of this request
